Bios & Headshots: for maximum publicity, please make sure your bios have been submitted (as well as actor headshots) to hangartheatre.org/bios

Bios and actor headshots will be shared in our Program Guide and/or inserts, the Headshot Board, and could also be posted on the Hangar website, social media, or e-mail blasts.

Social Media: please "like" our Facebook, Instagram, and Twitter, and share our posts! Tag @hangartheatre and use hashtags like #hangartheatre #ithaca on your posts. Bonus points for posts that mention and tag Hangar partners or sponsors such as Ithaca College, CFCU, Cayuga Radio Group, Ithaca Bakery, Wegmans, or sponsors of the show that you are in. Tag yourselves in photos of you! If you do not agree to informal rehearsal photos that include you being shared on social media, please let us know prior to the Meet & Greet.

To have us share one of your photos on Hangar social media, please send the photo and requested caption to: thena@hangartheatre.org

You can also e-mail me to request to do a **Hangar Instagram takeover!**

Keep In Touch: After your Hangar journey ends, keep me updated on future projects for the chance to have them shared on Hangar social media.
